

28th May, 2014

## Exhibition opportunity plan in PHYSOR2014

From 28th September to 3rd October, 2014, the International Topical Meeting on Physics of Reactors PHYSOR2014 (<http://physor2014.org/>) will be held at the Westin Miyako Hotel in Kyoto, Japan. It will represent major worldwide event in this research field. Relevant topics include reactor analysis methods, nuclear data, V&V and uncertainty analysis, fuel cycle and actinide management, radiation application and nuclear safeguards, reactor operation and safety, reactor physics experiment and research reactors. The conference is an opportunity for an exchange of information on current topics of interest among the international participants, being estimated about 400 participants, in reactor physics research activities.

The organizing committee kindly offers the exhibition booths for the participants in PHYSOR2014 to exhibit your product and technology.

### **Closing Date for Application form of Expression Interest: Deadline on 31st July, 2014**

\*Applications will be accepted first-come and first-served basis, and so may be closed earlier than scheduled.

### **Booth Fee:**

- 300,000 JPY

### **Booth Equipment:** Each 2.1 m (Height) × 2.7 m (Side) booth space will include:

- Booth surrounded by 5 panels with skirted tables and chairs
