

## Copyright and right of publication transfer approval

**To: Institute for Integrated Radiation and Nuclear Science, Kyoto University**

**KURNS-EKR**

**Proceedings of the Reactor Physics Asia 2019 (RPHA19) Conference Osaka, Japan, Dec. 2-3, 2019**

I will contract to observe the making outline, and not to violate the copyright of other books and contract to obtain the reprint permission free of charge about quote to the copyright permission necessary. Moreover, all copyrights and the right of publications concerning this manuscript are transferred to the Institute for Integrated Radiation and Nuclear Science, Kyoto University. I will guarantee to obtain all co-authors' agreement for the witness of this copyright transfer.

In Proceedings, please check one item of your acceptance among three items as follows:

- Open all information (Name, Affiliation, Title, Abstract and Full paper)
- Open limited information (Name, Affiliation and Title) in Index of Proceedings
- Not open all information
